

FSHD Connect Europe 2025

June 13th - 15th

FSHD Europe, in collaboration with the FSHD Society, is excited to announce the first FSHD Connect Europe meeting, taking place from June 13th to June 15th 2025 in Amsterdam, The Netherlands.

This exclusive event brings together FSHD patients and their families, clinicians, and researchers. It is a unique opportunity to connect, share experiences and building lasting connections.

Don't miss out on this exceptional opportunity to be part of the FSHD community's growth! Spaces are limited, so register early to secure your spot.

For more details, including the program, event information and registration, please visit our registration website:
